RESEARCH EXPERIENCE

MASTER'S THESIS

YALE CHILD STUDY CENTER
2023

Investigating the neural correlates of threat
processing in child and adolescent anxiety using
EEG and computational methods under the
supervision of Michael J. Crowley, PhD.

BACHELOR'S THESIS

UCL
2021

Study published as part of:
["What motivates avoidance in paranoia? Three failures to find a betrayal aversion effect". *Journal of experimental social psychology*, 97, 104206.](#)

CLINICAL & VOLUNTEER EXPERIENCE

CRISIS TEXTLINE VOLUNTEER

SHOUT, UK
2021 - ONGOING

Providing a listening ear to guide Texters from a hot
moment to a cool calm. Exposure to sensitive topics
such as suicide and self-harm. Weekly experience.

CHILD CARE

PARIS
JULY-AUG 2020

*Caring for a 7-year-old boy, Jay, with whom I formed a
tight bond and who amazed me with his resilience and
enthusiasm in everything he undertakes, given his
recent adoption.*

HOSPITAL PATIENT CARE VOLUNTEER

SANOFI
2016-2017

*Providing emotional support and physical aid to
patients in the pediatric and geriatric wards. Also
assisted nurses with welcoming patients in A&E.*
